4. DISCUSSION, CONSIDERATION AND POSSIBLE ACTION ON PSYCHOLOGY APPLICATIONS

As of November 1, 2020, the EPPP consists of two parts: Part 1-Knowledge and Part 2-Skills. Passing scores on both parts of the EPPP are required to qualify for an independent and unrestricted license in Arizona. Individuals whose applications for the supervised Temporary License & EPPP, EPPP Only or Exam & Licensure were received prior to November 1, 2020 are approved to pass only Part 1 to qualify for licensure. The approval is specific to the application reviewed and does not extend to potential future applications.

Individuals who submit an application on or after November 1, 2020 in the following categories must pass both parts of the EPPP to qualify for licensure: EPPP Only, EPPP & Licensure, and the supervised Temporary License w/ and w/out EPPP. This also applies to applicants who have passed Part 1 but are not independently licensed in any state.

On November 5, 2021, the Board unanimously approved a motion that applicants for an independent license who applied for a [supervised] temporary license before November 1, 2020 are not required to pass EPPP Part 2-Skills to qualify for an independent license. This decision is specific to active temporary license holders at the time this decision was made.

Individuals submitting reapplications on or after November 1, 2020, are required to pass both Part 1 and Part 2 of the EPPP in order to qualify for licensure, regardless of when their initial application was received.
