**EXTENSIONS:** Under the authority of the Department of Health Services at A.R.S. § 36-787 (public health authority during state of emergency), the Board of Psychologist Examiners offered an extension of time for supervised temporary licenses granted to psychologist applicants completing a postdoctoral training program and preparing to take the EPPP pursuant to A.R.S. § 32-2073. This extension was established for 18 months from the date the declared emergency is lifted.

On March 30, 2022, Arizona Governor Doug Ducey lifted the state of emergency due to Covid-19. Therefore, extended supervised temporary licenses will expire on 09/30/2023 as noted in the "Extension" column below.
