## Application Review Committee Virtual Meeting Minutes

October 2, 2024  
Held via Zoom

The meeting was called to order by Committee Chair Dr. Flint at 2:00 p.m.

### 2. ROLL CALL - Ms. Fowkes

#### Members Present

A quorum of the Committee was confirmed.

### 3. DISCUSSION, CONSIDERATION AND POSSIBLE ACTION ON PSYCHOLOGY APPLICATIONS

#### **A. Requesting Approval to Sit for the EPPP (A.R.S. §§ 32-2071, 2071.01 & 2072)**

##### 1) Meya Mongkuo, Ph.D.

Dr. Mongkuo was present at the meeting. Committee members proceeded with a substantive review of the application and additional materials. #### **B. Requesting Approval to Sit for EPPP & Licensure (A.R.S. §§ 32-2071, 2071.01 & 2072)**

##### 1) Marca McCallie, Ph.D.

Dr. McCallie was present at the meeting. Additionally, her internship supervisors Dr. Matthew Van Schoick and Dr. Chris Margeson were present. Committee members proceeded with a substantive review of the application. Upon review, the Committee noted several concerns regarding the documentation submitted to verify her supervised professional experience ("SPE") hours at Northern Arizona University Counseling

Services (“NAU”) in Flagstaff, Arizona. Additionally, when asked about her preinternship SPE, Dr. McCallie’s response did not match up with the information on the verification.

The Board office received four (4) internship verifications forms for three (3) years of SPE. The Committee noted that one of the verifications, from 08/09/2021 – 08/05/2022, was verified as an APPIC member internship. Two of the internship verification forms were for 09/12/2022 to 05/31/2023 and the fourth was for 06/01/2023 – 05/09/2024. On the latter three verifications, the verifier indicated that the applicant did not have a title designating her trainee status, which does not meet requirements under A.R.S. § 32-2071(F)(8). This statute states that, “*Trainees [must] have a title that designates their trainee status.*” In answer to the Committee’s questions, Dr. Van Schoick and Dr. Margeson stated Dr. McCallie was a paid employee after the APPIC member internship ended to the present. However, A.A.C. R4-26-209(C)(1) states, “*A supervising psychologist may pay a monetary stipend or fee to a supervisee if the amount paid by the supervisor is not based on the supervisee’s productivity or revenue generated by the supervisee....*”

It was the consensus of the Committee to make a formal additional information request (FAIR) for clarification regarding the above concerns.
