|  | <b>4) Naudia Renee Moorley, Psy.D. (REAPP)</b>  | 01/24/2019 – only Part 1     |
|  | Committee members proceeded with a substantive review of the application. It was the consensus of the Committee to forward the application to the Board for approval to sit for the EPPP and for licensure upon receipt of a passing score.  |                              |
|  | <b>5) Christine De Santis-Collis, Psy.D. (REAPP)</b>  | 12/22/2017 – only Part 1     |
|  | Committee members proceeded with a substantive review of the application. Upon review, the Committee noted the materials submitted were complete and meet the requirements of the statutes and rules, however one of her references is over three years old; she indicated she has been working as a licensed substance abuse counselor. Additionally, one of her clinical supervisors did not check off as approved several of the evaluative criteria. The Committee determined that the application will need to move to the full board for review as she is also requesting accommodations to the EPPP.   |                              |
|  | <b>6) Charisse T. Ewing, Psy.D. (REAPP)</b>   | 03/09/2018 – only Part 1     |
|  | Committee members proceeded with a substantive review of the application. Upon review, the Committee noted that the materials submitted were complete and meet the requirements of the statutes and rules with the exception of the fact that she has failed the EPPP three times – twice for Arizona and once for Maryland – and therefore the applicant will need to submit a new application, submit an EPPP study plan, and will be required to take both parts. Ms. Galvin advised staff to communicate to the applicants the miscommunication. Ms. Paakkonen affirmed that the previously paid application fee can be transferred to the next application.  |                              |
