

1 Agreement and Order for Practice Monitoring with this Board. Dr. Thaw consented to  
2 the terms and conditions therein.

3  
4 2. Pursuant to the First Amended Consent Agreement and Order for Practice  
5 Monitoring, on June 22, 2010, Dr. Thaw retained Dr. Michael Redivo as a Practice  
6 Monitor and provided him with copies of the Order which included terms and conditions  
7 to which Dr. Thaw was subject.  
8

9 3. On July 1, 2010, the Board office received the first Practice Monitor Report  
10 from Dr. Redivo. Dr. Redivo indicated in his reports he had concerns about Dr. Thaw's  
11 ability to practice psychology safely. Discussion of Dr. Redivo's submissions and  
12 findings was scheduled for the August Board meeting.  
13

14 4. At the August 6, 2010 Board meeting, the Board discussed Dr. Thaw's  
15 Consent Agreement and Order for practice Monitoring and Dr. Redivo's initial Practice  
16 Monitor Report dated July 1, 2010.  
17

18 5. Dr. Thaw was present at the August 6, 2010 Board meeting along with Ms.  
19 Neau, his office manager, and Dr. Redivo. On this date, Dr. Redivo submitted a second  
20 Practice Monitor Report dated July 30, 2010 for the Board's review and discussion.  
21

22 6. At the conclusion of the matter, the Board voted to find that the information  
23 submitted by Dr. Redivo was definitive enough to adjudicate the matter. The Board  
24 found that Dr. Thaw was capable of safely engaging in the practice of psychology if he  
25 has a Practice Monitor and Supervisor and employs other practice safeguards as outlined  
26 in the Board's Order.  
27

28 7. As part of his role as a Supervisor and Practice Monitor, Dr. Redivo

1 submits to the Board updated reports summarizing his meetings (Supervision and  
2 Practice Monitoring) with Dr. Thaw.

3  
4 8. On December 29, 2010, the Board received Dr. Redivo's report dated  
5 December 28, 2010. In his report Dr. Redivo informed the Board of events that occurred  
6 during his supervision meeting with Dr. Thaw on December 23, 2010.

7  
8 9. Specifically, according to Dr. Redivo, Dr. Thaw experienced a medical  
9 event that exceeded two minutes in duration and left Dr. Thaw "significantly  
10 disoriented" and "unresponsive to mental status inquiry" for an additional twenty  
11 minutes thereafter. Further Dr. Redivo opined that if Dr. Thaw experienced a similar  
12 event during a therapy session with a client, it "would result in a distressing experience:  
13 for the client. Specifically, Dr. Redivo noted that "the pained expression, confusion and  
14 pronounced disorientation could be quite unsettling for a client and possibly invite the  
15 client into a caretaking role for Dr. Thaw. Additionally if the client was in a crisis and  
16 [the medical event occurred again], this could significantly compromise his (Dr.  
17 Thaw's) capacity to intervene in a manner to protect his client(s)."  
18  
19

20  
21 10. The events of December 23, 2010 have lead Dr. Redivo to express concerns  
22 as to whether Dr. Thaw can practice psychology safely. Dr. Redivo also questions "Dr.  
23 Thaw's ability to recognize the impact that his condition could have on his ability to  
24 practice."  
25

26 11. The events of December 23, 2010, if they occurred during Dr. Thaw's  
27 treatment of a client, could jeopardize the welfare of the client and render Dr. Thaw's  
28 psychological services ineffective.

1 hold himself out as permitted to practice psychology in Arizona until such time he is  
2 deemed fit to practice psychology by the Board pursuant to the conditions set forth  
3 below. During the period of Medical Inactive Status, if the Licensee allows his license

5 conditions of this Consent Agreement.  
6

7  
8 **2. Notice to Patients:**

9 Upon the effective date of this Consent Agreement, Licensee shall be placed  
10 on Medical Inactive Status. However, despite his Medical Inactive Status, Dr. Thaw  
11 may arrange one final meeting with his current clients/patients for the purpose of  
12 explaining to them the status of his psychology license and to make the appropriate  
13 referrals for continued treatment. Licensee shall not perform any therapy or render  
14 psychological services during this closing referral meeting.  
15

16  
17 **3. Medical/Neurological Treatment:**

18 Licensee shall continue to undergo all necessary medical and neurological  
19 treatment for his condition. Treatment shall include neurological exams and biological  
20 fluid testing, in the form of blood work, to determine stable blood levels of medication.  
21

22 Duration and Frequency: In the next six months from the effective date of  
23 this Consent Agreement, Licensee shall have a minimum of two (2) neurological exams.  
24 Licensee shall also have blood work performed to test for stable therapeutic levels of his  
25 medication.  
26

27 Reports: Licensee shall furnish a copy of this Order to this primary care  
28 physician and his neurologist prior to his scheduled exam. The Board shall provide any

1 and all historical data regarding the Licensee to the treating physicians and request  
2 acknowledgment of receipt of such report back to the Board. Licensee shall execute a  
3 release authorizing and requesting that the primary care physician and the neurologist  
4 provide to the Board any information the Board or its designee deems appropriate,  
5 including quarterly reports of Licensee's therapeutic progress. **The Licensee shall**  
6 **cause the neurologist to submit written reports to the Board regarding Licensee's**  
7 **therapeutic progress, which must be received by the Board's office no later than**  
8 **seven (7) days after the exams are performed.** Each report shall include at a  
9 minimum a diagnosis, treatment plan, progress report, prognosis and a review with  
10 consideration of the Licensee's treatment history.  
11  
12

13  
14 4. **Fitness for Duty Examination:** Should Licensee request to return to  
15 Active status, Licensee shall undergo a brief re-evaluation with Dr. Marc S. Walter,  
16 wherein an updated Fitness for Duty Evaluation will be performed and the report and  
17 findings sent to the Board.  
18

19 5. **Continuing Jurisdiction:** If Licensee is found to be medically and/or  
20 psychologically unfit to resume the practice of psychology without restrictions, the  
21 Board shall retain continuing jurisdiction over Licensee until the Board determines that  
22 Licensee is medically and psychologically fit to resume the practice of psychology  
23 without restrictions.  
24  
25

26 6. **Duration/Modification/Termination:** Licensee shall not request  
27 modification or termination of this Order for a period of six (6) months or until such  
28 time the Licensee has not experienced any medical episodes similar to those outlined

1 above for a minimum period of six (6) months. Licensee must be symptom free of his  
2 underlying medical condition for at least six (6) months before he may request the  
3 Board to return to Active Status.

4  
5 7. **Interview:** Licensee shall appear in person for interviews with the Board  
6 or its designee upon request at various intervals and with reasonable notice.

7  
8 8. **Suspension of Previous Orders Relating to Supervision/Practice**  
9 **Monitoring:** During the time that Dr. Thaw's license to practice psychology is on  
10 Medical inactive Status, the previous Orders issued by the Board relating to Practice  
11 Monitoring and Supervision and the related reporting by the Practice  
12 Monitor/Supervisor are hereby stayed until further order of the Board. At such time that  
13 Dr. Thaw is granted Active Status, any previous orders relating to Practice Monitoring  
14 and/or Supervision shall be re-initiated upon a vote by the Board.

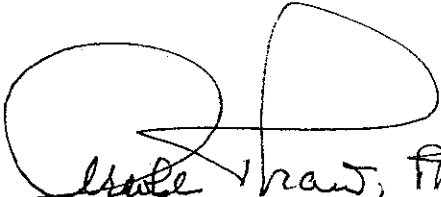

15  
16  
17 9. **Payment Of Compliance Costs:** Licensee shall promptly pay all costs of  
18 compliance with this Order. Failure to promptly pay the costs shall be considered a  
19 violation of this Order.

20  
21 10. **Strict Enforcement:** The Board shall strictly enforce the terms of this  
22 Order. Any violation of the Order by Licensee shall be grounds for disciplinary action,  
23 including summary suspension, pending hearing for revocation or other action.  
24 Licensee bears responsibility for the timely delivery to the Board's office of all reports,  
25 information and documents required to be submitted under this Order. Lack of timely  
26 receipt at the Board's office constitutes a violation of this Order.

7 for the Practice of Psychology  
8 in the State of Arizona

**THIRD AMENDED CONSENT  
AGREEMENT AND ORDER FOR  
PRACTICE MONITORING  
AND SUPERVISION**

9           On August 6, 2010, the Arizona Board of Psychologist Examiners (“Board”) met to  
10 discuss Case No. 07-36, including written and oral reports from Dr. Michael Redivo regarding  
11 Dr. Thaw’s Board Order for Practice Monitoring. Arnold Thaw, Ph.D. (“Respondent”)   
12 appeared personally and on his own behalf. Ms. Barbara Neau, Dr. Thaw’s Administrative  
13 Assistant also appeared as did Dr. Michael J. Redivo, Dr. Thaw’s Practice Monitor. After  
14 discussion, consideration and deliberation, the Board voted to offer Dr. Thaw a Third Amended  
15 Consent Agreement and Order for Practice Monitoring and Supervision.

16                                   **JURISDICTION**

17           1. The Arizona State Board of Psychologist Examiners is the state agency authorized  
18 pursuant to A.R.S. §32-2061 *et seq.*, and the rules promulgated thereunder, found in the  
19 Arizona Administrative Code (“A.A.C.” or “rules”) at R4-26-101 *et seq.*, to regulate and  
20 control the licensing of psychologists in the State of Arizona.

21           2. Respondent holds a license as a licensed psychologist in the State of Arizona,  
22 License number 424, issued on June 13, 1975, pursuant to A.R.S. §32-2071 *et seq.*

23           3. Pursuant to A.R.S. § 32-2081(A), “[T]he board, on its own motion, may  
24 investigate evidence that appears to show that a psychologist is psychologically incompetent,  
25 guilty of unprofessional conduct or mentally or physically unable to safely engage in the  
26 practice of psychology.”

27           4. A.R.S. §32-2081(E) provides that “[T]he board may require the licensee to  
28 undergo any combination of mental, physical or psychological competence examinations at the  
licensee’s expense and shall conduct investigations necessary to determine the competence and  
conduct of the licensee.”

          5. The Third Amended Consent Agreement and Order For Practice Monitoring and  
Supervision shall be effective when signed by the Board’s Executive Director. The Third

1 Amended Consent Agreement and Order for Practice Monitoring and Supervision constitutes a  
2 public record and shall be maintained as part of Respondent's file with the Board.

3 6. Pursuant to A.R.S. § 41-1092.07(F)(5), the Board adopts the Findings of Fact as  
4 set forth below.

### 5 CONSENT AGREEMENT

6 Respondent understands and agrees that:

7 1. The Board has jurisdiction over Respondent and the subject matter pursuant to  
8 A.R.S. §32-2061 *et seq.*

9 2. Respondent has the right to consult with an attorney prior to entering into this  
10 Consent Agreement.

11 3. Respondent has a right to a public hearing concerning this case. He further  
12 acknowledges that at such formal hearing he could present evidence and cross-examine  
13 witnesses. Respondent irrevocably waives his right to such a hearing.

14 4. Respondent irrevocably waives any right to rehearing or review or to any judicial  
15 review or any other appeal of this matter except the Respondent does not waive his right to a  
16 hearing regarding any allegation of noncompliance with this Third Amended Consent  
17 Agreement and Order for Practice Monitoring and Supervision.

18 5. This Consent Agreement shall be subject to the approval of the Board and shall  
19 be effective only when signed by the Executive Director and accepted by the Board. In the  
20 event that the Board does not approve this Consent Agreement, it is withdrawn and shall be of  
21 no evidentiary value and shall not be relied upon nor introduced in any action by any party,  
22 except that the parties agree that should the Board reject this Consent Agreement and this case  
23 proceeds to hearing, Respondent shall assert no claim that the Board was prejudiced by its  
24 review and discussion of this document or any records relating thereto.

25 6. This Third Amended Consent Agreement, once approved by the Board and  
26 signed by the Respondent, shall be a public record which may be disseminated as a formal  
27 action of the Board.

### 28 FINDINGS OF FACT

1. On June 16, 2010, Licensee entered into the First Amended Consent Agreement  
and Order for Practice Monitoring with this Board. Dr. Thaw consented to the terms and  
conditions therein.

2. Pursuant to the First Amended Consent Agreement and Order for Practice

1 Monitor, on June 22, 2010, Dr. Thaw retained Dr. Michael Redivo as practice monitor and  
2 provided him with copies of his order which included terms and conditions to which Dr. Thaw  
3 was subject.

4 3. On July 1, 2010, the Board office received the first Practice Monitor Report from  
5 Dr. Redivo. Dr. Redivo indicated in his report he had concerns about Dr. Thaw's ability to  
6 practice psychology safely. Discussion of Dr. Redivo's submissions and findings was  
7 scheduled for the August Board meeting.

8 4. At the August 6, 2010 meeting, the Board discussed Dr. Thaw's Consent  
9 Agreement and Order for Practice Monitoring and Dr. Redivo's initial Practice Monitor  
10 Report dated July 1, 2010.

11 5. Dr. Thaw was present at the August 6, 2010 Board meeting, along with Ms.  
12 Neau, his office manager, and Dr. Redivo. On this date, Dr. Redivo submitted a second  
13 Practice Monitor Report dated July 30, 2010 for the Board's review and discussion.

14 6. At the conclusion of its consideration of the matter, the Board voted to find that  
15 the information submitted by Dr. Redivo was definitive enough to adjudicate the matter. The  
16 Board found that Dr. Thaw is capable of safely engaging in the practice of psychology if he  
17 has a Practice Monitor and Supervisor and employs other practice safeguards as outlined  
18 below.

### 18 CONCLUSIONS OF LAW

19 The above Findings of Fact provided the Board with a reasonable basis upon which to  
20 enter this Third Amended Consent Agreement and Order for Practice Monitoring and  
21 Supervision pursuant to A.R.S. §32-2081(A), which provides that "[T]he Board, on its own  
22 motion, may investigate evidence that appears to show that a psychologist is psychologically  
23 incompetent, guilty of unprofessional conduct or mentally or physically unable to safely  
24 engage in the practice of psychology." To date, Respondent has undergone all evaluations and  
25 examinations ordered by the Board and retained a practice monitor.

### 26 ORDER

27 **BASED UPON THE FOREGOING FINDINGS OF FACT AND CONCLUSIONS OF**  
28 **LAW, THE PARTIES AGREE AS FOLLOWS:**

1. **Previous Consent Agreement and Order for Practice Monitoring:**  
Respondent hereby consents to continue to comply with original the First Amended Consent

1 Agreement and Order for Practice Monitoring and all terms and conditions set forth therein to  
2 the extent they are consistent with this Third Amended Consent Agreement and Order for  
3 Practice Monitor and Supervision.

4       2.    **Supervision:** Dr. Thaw shall obtain an independent psychologist who shall act  
5 as a Supervisor to meet with and evaluate Dr. Thaw's practice of psychology twice per month  
6 for the next six (6) months. Meeting shall be for a minimum of one hour in length between the  
7 Respondent and the Supervisor and cover the practice psychology, specifically his interaction  
8 and therapy with clients. **It is the Board's preference that the same psychologist who acts**  
9 **as Dr. Thaw's Practice Monitor would also act as his Supervisor so that Dr. Thaw would**  
10 **meet with his Supervisor/Practice Monitor two times per month.** In the event the practice  
11 monitoring and the supervision is conducted by two separate psychologists, the twice monthly  
12 meetings with the Supervisor shall be in addition to those meetings with the Practice Monitor  
13 as outlined in the First Amended Consent Agreement and Order for Practice Monitor To  
14 facilitate the supervision required pursuant to this Order, upon each client's written informed  
15 consent, Respondent shall audio tape all therapy sessions with clients. The audio tapes are to  
16 be submitted to the Supervisor on a weekly basis for review and discussion during subsequent  
17 Supervision sessions. The Supervisor shall assume full legal responsibility for the welfare of  
18 the client pursuant to A.R.S. § 32-2071(G)(1). The Supervisor shall submit to the Board  
19 monthly reports of the meetings to include topics covered and any safety issues and/or  
20 modifications made to the Respondent's practice and his ability to safely engage in the  
21 practice of psychology and any possible impairment issues resulting from his medical  
22 condition or other condition(s). [A.R.S. §32-3081(E)]. The Supervisor's monthly reports are  
23 to be submitted to the Board within ten (10) days of the monthly meeting between the  
24 Supervisor and Dr. Thaw. At the conclusion of six months, the Supervisor is to complete a  
25 final written report to the Board summarizing his/her interaction with Dr. Thaw, topics  
26 discussed, areas of progress, matters of remaining concern, if any, and overall impressions.  
27 The final report shall be submitted to the Board within thirty (30) days of the last meeting  
28 between the Supervisor and Dr. Thaw. **Respondent shall present this Order to the Board**  
**approved Supervisor (psychologist) prior to the date of the first monthly meeting.** The  
first meeting between Respondent and his Supervisor shall occur within thirty (30) days of the  
effective date of this Consent Agreement and Order.

3.    **Maintaining Jurisdiction:** The Board maintains jurisdiction over this matter

1 until it receives, reviews and accepts the Supervisor's final report and the Board determines  
2 that Dr. Thaw can safely engage in the practice of psychology without a Practice Monitor,  
3 Supervisor or other imposed conditions.

4       **4. Selection of Evaluator:** Within ten (10) days of the date of this Consent  
5 Agreement and Order for Practice Monitoring and Supervision, Dr. Thaw shall make  
6 arrangements with the following psychologist to act as his Supervisor.

7                               **Michael Redivo, Ph.D.**  
8                               **10752 N. 89<sup>th</sup> Pl., Ste #221**  
9                               **Scottsdale, AZ 85260**  
                                  **(480) 231-2663**

10                               In the event that Dr. Redivo is unable or unwilling to act as Dr. Thaw's  
11 Supervisor, Dr. Thaw shall notify immediately the Board staff in writing that Dr. Redivo will  
12 not be acting as Dr. Thaw's Supervisor. The Board staff shall then provide Dr. Thaw with the  
13 names and contact information of three (3) other Arizona-licensed psychologists that would be  
14 willing to act as Dr. Thaw's Supervisor. Any changes or modifications in the Supervisor or  
15 Practice Monitor shall be reported to the Board within three (3) business days.

16       **5. Costs:** All costs associated with the compliance with this Order and Practice  
17 Monitoring and Supervision are the sole responsibility of Dr. Thaw.

18       **6. Disclosure of Reports:** Dr. Thaw shall effectuate all necessary releases to ensure  
19 that the Supervisor provides his/her written reports to the Board within the time specified in  
20 paragraph 2 of the Order and so that the Board staff may direct questions to and/or seek  
21 clarification of the Supervisor and Practice Monitor, if necessary.

22       **7. Informed Consent:** Effective immediately, Dr. Thaw shall inform all clients, via  
23 a written informed consent form, about his medical conditions. Signed informed consent  
24 forms from each client shall be kept in the client's therapy records.

25       **8. Medical Reports:** All terms and conditions of the First and Second Amended  
26 Consent Agreements and Orders relating to Dr. Thaw's periodic  
27 neurological/neuropsychological evaluation by his physicians at 21<sup>st</sup> Century Neurology are in  
28 full force and effect as if contained herein, including the requirement that evaluation reports  
are submitted to the Board. **In addition, Dr. Thaw shall provide to the Board a copy of all  
blood test results and lab results that are conducted for the purposes of monitoring his**

1 **health condition.** Reports of these tests/evaluations shall be submitted to the Board upon  
2 their completion by the neurologist or primary care physician ordering them. Respondent shall  
3 complete all necessary forms and releases to ensure that the Board receives the reports/results  
4 as required. **Respondent shall provide a copy of this Consent Agreement and Order to his**  
5 **treating physician and all specialists involved in his care.**

6 9. **Effective Date:** This Order shall be effective on the date of entry below.

7 10. **Time Extension:** The Respondent may contact the Board, in writing, to request a  
8 one time extension of 30 days to be approved by the Board's Executive Director. The Board  
9 authorizes the Executive Director to contact any and all evaluators to request the periodic  
10 and/or final reports in writing for the Board's review.

11 11. **Failure to Comply:** Failure to timely comply with this Order may constitute  
12 unprofessional conduct and result in disciplinary action against Dr. Thaw.

13 12. **Failure to Renew:** If, at any time after the effective date of this Consent  
14 Agreement and Order for Practice Monitoring and Supervision, Dr. Thaw fails to renew his  
15 license to practice psychology and subsequently applies anew for a license to practice  
16 psychology, the remaining terms of the Consent Agreement, including Practice Monitoring  
17 and Supervision shall be imposed **if** the license is granted.

18 13. **Consultation with an Attorney:** Dr. Thaw has read and understands this Consent  
19 Agreement as set forth herein, and has had the opportunity to discuss this Consent Agreement  
20 with an attorney or has waived the opportunity to discuss this Consent Agreement with an  
21 attorney. Dr. Thaw voluntarily enters into this Consent Agreement for the purpose of avoiding  
22 the expense and uncertainty of an administrative hearing.

23 14. **Waiving of Right to Formal Hearing:** Dr. Thaw understands that he has a right  
24 to a public administrative hearing concerning each and every allegation set forth in the above-  
25 captioned matter, at which administrative hearing he could present evidence and cross-examine  
26 witnesses. By entering into this Consent Agreement, Dr. Thaw freely and voluntarily  
27 relinquishes all rights to such an administrative hearing, as well as all rights of rehearing,  
28 review, reconsideration, appeal, judicial review or any other administrative and/or judicial  
action, concerning the matters set forth herein except any right to appeal the stems from

1 allegations of non-compliance with this Consent Agreement and Order. Dr. Thaw affirmatively  
2 agrees that this Consent Agreement shall be irrevocable.

3       15. **Future Consideration:** Dr. Thaw understands that this Consent Agreement, or  
4 any part thereof, may be considered in any future disciplinary action against him.

5       16. **Final Resolution:** The parties agree that this Consent Agreement constitutes final  
6 resolution of this matter.

7       17. **Time is of the Essence:** Time is of the essence with regard to this agreement.

8       18. **Violation of Consent Agreement:** If Dr. Thaw fails to comply with the terms of  
9 this Consent Agreement, the Board shall properly institute proceedings for noncompliance with  
10 this Consent Agreement, which may result in suspension, revocation, or other disciplinary  
11 and/or remedial actions. Dr. Thaw agrees that any violation of this Consent Agreement is a  
12 violation of A.R.S. § 32-2061(13)(aa), which is violating a formal board order, consent  
13 agreement, term of probation or stipulated agreement  
14

15       19. **Other Pending Matters, if any:** Dr. Thaw understands that this Consent  
16 Agreement does not constitute a dismissal or resolution of other matters currently pending  
17 before the Board, **if any**, and does not constitute any waiver, express or implied, of the Board's  
18 statutory authority or jurisdiction regard any other pending or future investigation, action or  
19 proceeding. Respondent also understands that acceptance of this Consent Agreement does not  
20 preclude any other agency, subdivision or officer of this state from instituting other civil or  
21 criminal proceedings with respect to the conduct that is the subject of this Consent Agreement.  
22

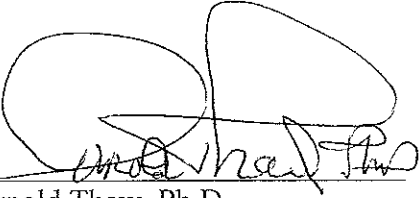

23       20. **Approval by the Board:** Respondent understands that the foregoing Consent  
24 Agreement shall not become effective unless and until adopted by the Board of Psychologist  
25 Examiners and executed by the Board's Executive Director on behalf of the Board. Any  
26 modification to this original document is ineffective and void unless mutually approved by the  
27 parties in writing.  
28

      21. **Public Record:** Dr. Thaw understands that this Consent Agreement is a public  
record that may be publicly disseminated as a formal action of the Board.
