1 **FINDINGS OF FACT**

2 1. On July 18, 2005, Applicant submitted an application for a license to practice psychology. In  
3 connection with his application, Applicant provided information showing that his license to practice  
4 psychology in the State of Florida had been revoked on July 13, 1993 for his violation of Florida law "by  
5 attempting to obtain, obtaining or renewing a license ...by bribery or fraudulent misrepresentation or through  
6 an error of the board or department."

7 2. At a meeting held on October 7, 2005, the Board considered Applicant's application for a license to  
8 practice psychology. After review and discussion of Applicant's application and supporting documents, the  
9 Board determined that Applicant failed to demonstrate that he had met the basic requirements for licensure set  
10 forth in A.R.S. § 32-2071.01(A)(4).

11 3. The Board issued an Order on Denial of License on October 17, 2005. After Applicant timely  
12 requested a hearing, the Board issued a Notice of Hearing on November 8, 2005.

13 4. At the hearing on December 2, 2005, the Board heard testimony, received evidence, and heard oral  
14 argument from the parties.

15 5. Applicant also gave testimony that his psychology license with the State of Florida had been  
16 revoked due to a series of misfortunate circumstances which began with Applicant's paying to renew his  
17 license with a check that did not clear due to insufficient funds. When asked by a Florida Board investigator to  
18 return the renewed license, Applicant testified that he inadvertently turned in the wrong, expired license, but  
19 then turned in the correct renewal license when he was informed of the error. The Florida Board subsequently  
20 revoked Applicant's license on July 13, 1993.

21 6. Despite having been previously revoked, Applicant reapplied for licensure with the State of Florida  
22 and was granted a new license on February 20, 2002 and is currently in good standing.

23 7. Applicant has no other history of discipline for unprofessional conduct or practice.

24 **CONCLUSIONS OF LAW**

25 1. The conduct and circumstances described above would constitute grounds for disciplinary action  
26 against a licensee pursuant to Title 32, Chapter 19.1, that is, a violation of A.R.S. § 32-  
27 2061(A)(13)(n)("Unprofessional conduct in another jurisdiction that resulted in censure, probation or a civil  
28 penalty or in the denial, suspension, restriction or revocation of a certificate or license to practice as a  
psychologist.")
